

FOR IMMEDIATE RELEASE

Poms & Associates Insurance Brokers, Inc. Expands the Personal Lines Group

Woodland Hills, CA – June 4, 2009 – Known in the industry for a high level of customer service within the commercial insurance sector, Poms & Associates Insurance Brokers, Inc. is rapidly developing its role in Personal Lines for affluent individuals and families. One year since the launch of the Preferred Client Insurance Services Group (PCS), Poms & Associates continues to expand its team by bringing on two new members — Gregg Carpenter and David Beeton. The PCS group, which was created in 2008 by Seth Ford Gilman, has now reached ten employees.

Gregg Carpenter will serve as Senior Vice President for the PCS division of Poms. Working out of the Woodland Hills corporate headquarters, he is responsible for generating new business and managing client relationships. Additionally, he will co-lead acquisition and recruitment efforts.

Carpenter is a seasoned senior level manager with over 27 years experience in the insurance brokerage industry with Marsh, Inc. Carpenter received his Bachelor of Science from the University of Southern California and currently serves on the Board of Trustees of the University of San Diego.

David Beeton will serve as Account Executive for the PCS group. He will also be responsible for the development of new business and the management of client relationships. Beeton comes from Marsh, Inc. as well. At Marsh, he had been a Risk Consultant for the Private Client Services Group for the last two years. He received his Bachelors in Business Administration with a dual emphasis in finance and marketing from Loyola Marymount University.

About Poms & Associates Insurance Brokers, Inc.

Poms & Associates is a full service insurance brokerage firm offering commercial insurance, employee benefits, personal lines, risk control and risk management consulting services to public and private entities. Poms has been dedicated to providing clients with the highest degree of personal service, knowledge and innovation since it was established in 1991.
