Poms & Associates Introduces Preferred Client Insurance Services

Woodland Hills, CA – June 23, 2008 – Poms & Associates Insurance Brokers, Inc. is pleased to introduce Preferred Client Insurance Services (PCS) as its Personal Lines division. PCS specializes in the analysis and establishment of comprehensive asset protection programs for individuals and families on a national and international basis.

“Our superior capabilities are derived from leveraging Poms & Associates as a leading insurance broker and drawing on the expertise of our risk management specialists in fine art, yachts, private aircraft and bloodstock,” says Seth Ford Gilman, Senior Vice President and head of the PCS division of Poms.

The addition of Preferred Client Insurance Services to the organization enables Poms & Associates to truly be a full service insurance brokerage and risk management firm. Clients choose Poms & Associates PCS because they understand the need to work with specialists who have the knowledge and resources to create a successful personal asset protection plan for the assets they have acquired.
